

Dear Friends

Many of you will remember with fondness our first ever Parish Weekend away together in February 2005 at High Leigh: we are pleased to announce that we have organised another! This time there is lots of notice, well over a year, so there will be plenty of opportunity to save up your pennies, to perfect your contribution to the Saturday evening entertainment, and to be sure you don't get booked up for anything else on the weekend of 21st - 23rd November 2008.

We are going to Hothorpe Hall in Leicestershire, and will have the whole centre to ourselves. We understand from those who have been to conferences at Hothorpe that it is an excellent venue, with good quality accommodation, and, most importantly, great food!

We will have a full program for everyone, and really excellent speakers to teach us (we will let you know when the speakers are confirmed). We are also inviting people from other churches to lead children's and youth activities, so everyone from All Saints can play as full a part as possible in the weekend.

This is a great opportunity to worship and learn together, and to get to know one another better in a relaxed and informal setting. We also expect God to do great things among us, and to move us forward as a Church.

We do hope you will be able to come: last time was a great blessing to many, and we're sure this one will be even better!

With our love,

*David & Julia*
